

O'Growney National School

Fire/Evacuation Plan

Introduction

This school evacuation policy has been formulated through whole staff consultation.

Rationale

- *Enable the school to provide for the immediate needs of students, staff and visitors in the event of a fire.*
- *Have in place appropriate safety procedures that comply with the Safety, Health and Welfare at Work Act 2013.*
- *Ensure a safe school environment for all.*

School Ethos

The school is committed to the care of the whole school community and the provision of a safe, secure environment for learning. This policy is in keeping with those ideals.

Aims/objectives

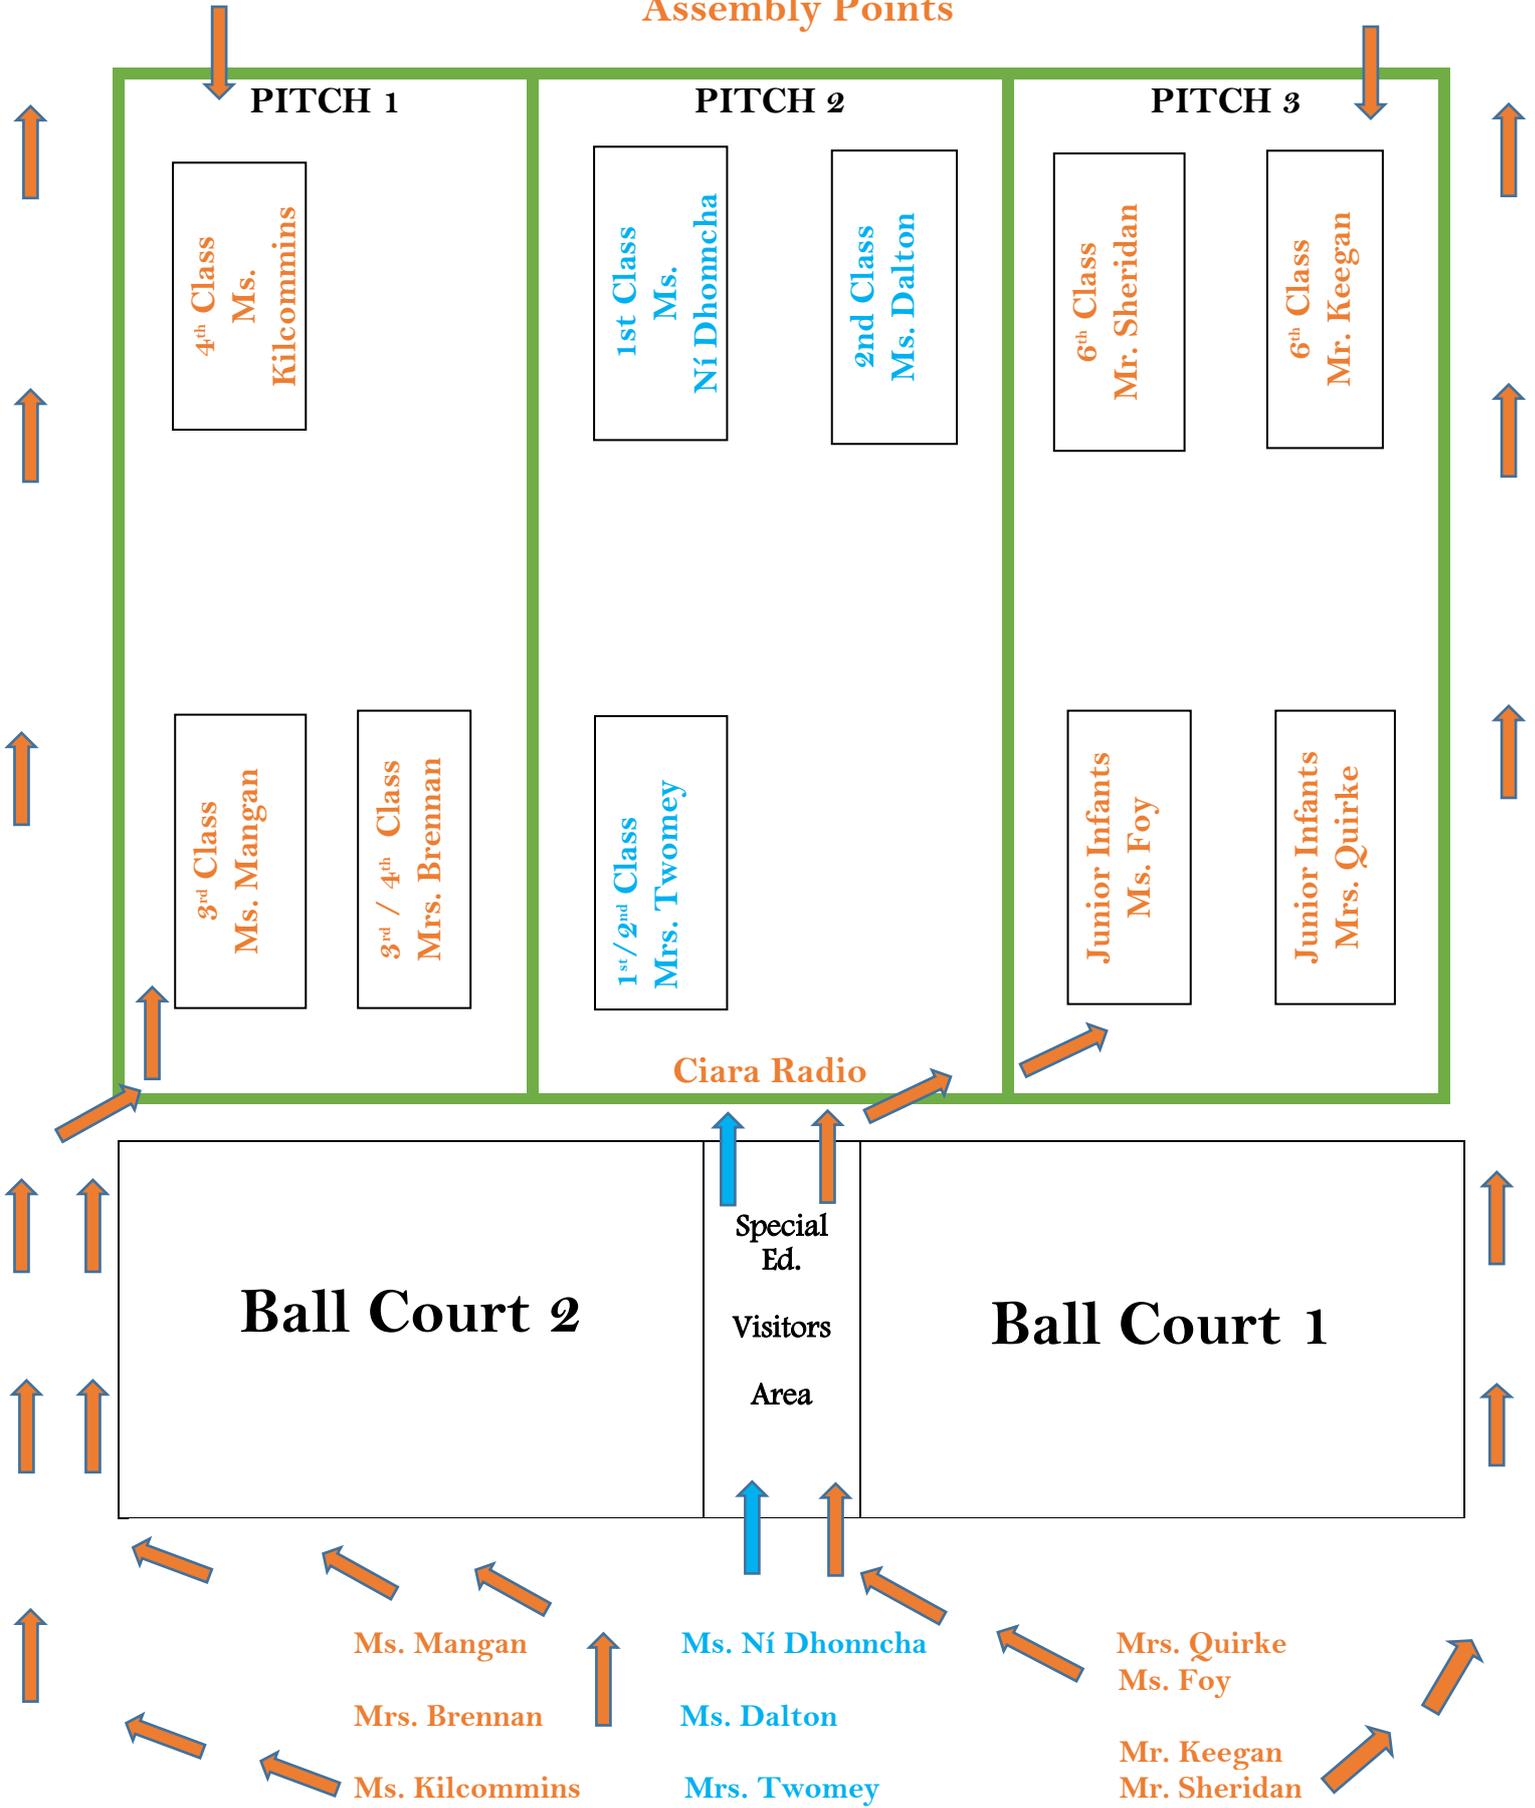

- *To utilise outside agencies (local fire station, fire officer) for training and staff development, so as to enhance safety procedures.*
- *To develop a tried and trusted framework which will ensure the safety of all personnel in the event of a fire.*

Internal procedures

Mr. James Herward, school caretaker, will use a fire checklist to ensure that all exits are clear and safe and all equipment is in working order e.g. fire extinguishers, fire blankets and alarms. The fire extinguishers, fire blankets and fire exits will be checked regularly.

Procedures to be taken

In the event of a fire the following steps must be taken

- *The Secretary will call the fire brigade in the event of an alarm.*
- *The children in all classrooms / special education rooms, will all stand up and exit the room in a calm and mannerly fashion.*
- *All teachers must check the classroom toilets before vacating the room, **leaving the toilet doors open.***
- ***The classroom doors will remain closed, at all times.***
- *S.N.A.'s help with evacuating with their own assigned pupils first.*
- *The fire assembly areas are on the pitch and at the front of the school; each class has an allocated station.*
- *Teachers will take the roll of their individual class, identifying each pupil in person.*
- *Children in Special Education rooms must go with their Special Education Teacher to their allocated station, which is centered between the two ball courts.*
- *The Special Education Teacher will return these children to their allocated class line once all lines have formed.*
- *Mr. John Brennan, Principal, will check with each teacher that all children in the class are present.*
- *Pupils will return to the school premises only when all the clear has been given by fire services.*
- *Fire drill will be conducted once per term.*

Role and responsibilities

- *All teachers are responsible for the safety and well being of the pupils in their care.*
- *The Principal has the overall responsibility for ensuring proper procedures are in place.*

Evaluation

- *Maintaining safety standards.*
- *Achieving a coordinated and orderly evacuation in the safest time possible*
- *Annual reviews*
